# Quilt Path™ Pro

computerized quilting system

## Professional power at your fingertips.

Quilt your masterpiece with ease and professional accuracy using Quilt Path™ Pro made specifically for APQS quilting machines. Enjoy the benefits of a professional computerized quilting system in the comfort of your own home. Quilt Path's easy-to-use touchscreen tablet makes it simple for you to design and lay out your project and let Quilt Path™ Pro quilt it.

Quilt Path™ Pro is designed for both computerized and free motion quilting. It can be made independent of the quilting head, preventing the weight of the quilt path system from affecting your free motion quilting.

## Features

- Software to design your own patterns, pantographs, borders and full-quilt layouts.
- Mirror, rotate, or adjust your layout to achieve precise pattern placement on your quilt.
- Alternate and nest patterns and rows.
- Record and save freehand patterns for future use.
- Access a vast library of 950 quilt-ready patterns.
- Import a wide variety of pattern files.
- Remove your Quilt Path™ touchscreen tablet and lay out your next quilt from anywhere.
- Thread break detection so you can multi-task while quilting.
- Professional accuracy.
- Quick and simple installation. No machine removal needed.
- Quilt Path™ Pro can be added to any APQS model year 2013 or newer that has the Bliss Table.
